

EfCCNa Fellows 2019

During the 8th EfCCNa congress in Ljubljana 2 new honorary Fellows were awarded. These 2 highly motivated and inspirational persons have had lasting contribution to the growth, establishment and profile of EfCCNa. Very warm congratulations from EfCCNa family to Prof Bronagh Blackwood, EfCCNa President and Irene Harth, EfCCNa council member ♥!

IRENE HARTH, GERMANY

Irene has been Council Member representing the European Society of Paediatric & Neonatal Intensive Care (ESPNIC) from 2009. Since then she has actively been available for EfCCNa purposes.

She has been, and still is, a reliable team player in all projects she has been taken part of.

Irene is chair of promotion group and editor of the newsletter. She has taken part in the Erasmus+ project MICE-ICU.

EfCCNa website and social media accounts would not look like this without her contributions. She is passionate about her work as a paediatric critical care nurse. Her heart is pure gold.

BRONAGH BLACKWOOD, NORTHERN IRELAND

Bronagh has been Council Member representing the BACCN from 2003 and she has held the post of Vice President for eight years (2006-14).

Since 2014 she is in the position of EfCCNa President.

Some examples of her contribution for EfCCNa:

- She has drawn up the EfCCNa Strategy for 2020 document;
- she established the Critical Care Doctoral European Nurses (CC-DEN) group;
- she has chaired several Scientific Committees for EfCCNa Congresses.

Her driving force in all EfCCNa projects etc. is huge. She is a born leader.
